I/We give Valentina Masse, LMFT permission to provide assessment and counseling services for my/our minor child:

(name)

Because Valentina Masse is “a helping professional,” she is mandated by law to be a reporter of abuse. Therefore, if she knows or has reason to believe that that the child has been or is being physically, sexually or emotionally abused or neglected, I/we understand that this information MUST be reported to Child Protective Services. You are welcome to inquire about this process.

I/we also understand that the specific content of sessions between my child and his/her therapist will remain confidential and that my/our child has the right to request that information about his/her treatment not be shared.
